Nippleless Furry

Summary

Ein has committed the cardinal sin of being ugly. Summer Solstice Baby hates ugly people.

Summer Solstice Baby was alone in the park one day after Ratboy got lost in the mines. She was alone and wanted someone who wasn't a rat to love her.

In the distance she saw a man with a blue streak and werewolf ears.

"HOT" she thought to herself.

She approached ein.

Ein spoke first,

"Hey!" He said loudly

She was stunned, "wtf is up with his voice" she thought to herself.

"Nah.. easy to look past. I've always loved furies" she concluded with herself.

He began to walk towards her. As he began to clearly enter her vision, she noticed a fatal flaw. He was horrendously ugly. Looking past the werewolf features and the edgy dyed streak and piercings he had nothing going for him. Summer Solstice Baby's beautiful beady blue eyes and wide red-lipped smile fell far out of his league.

"Ew, why are you ugly?" Summer's face remained emotionless to the disgust she felt seeing the wet

Ein looked up at her, genuinely confused.

"What? What the fuck did you just say?"

Summer looked at him and tilted her head, "Ugly. I said you're actually pretty ugly."

Ein's ego was what powered him.

"What?? What about now?" Ein pulled his sleeves back to flex and show off his muscles that he really seemed to think were prominent.

Summer glared at him, "My rat boyfriend is hotter than you. He is a Rat."

Ein fell to his knees in pain.

"No one's ever called me ugly before... Are you sure?" Ein asked as he pulled up his shirt to show off his abs.

Summer laughed, "YOU HAVE NO NIPPLES."

Ein cried and fell onto his face, his ego gone? leaving him dead.
